ABOUT CIPM

Center for Innovation and Policies in Moldova (CIPM) is an independent, non-profit think-tank founded by a group of experts with proven expertise in public policies and educational reform.

CIPM was founded on 1st of November 2016 with the mission **to bring Moldovan citizens closer to European values** and economic opportunities. In order to achieve our mission, we focus mainly on **education reform** and **anticorruption reform** in the Republic of Moldova.

CIPM Projects

2020

EDUIURIS – Legal Education Innovators seeding respect for laws for younger generation

Period: 01.07.2019 – 31.03.2020

Funding body: US Embassy in Moldova

Budget: 9,280 USD

The overall objective of this project was to build trust and respect for laws, democracy and rule of law for the new generations through in-depth understanding of their underlying principles as key for good governance in the Republic of Moldova.

Results achieved:

1 Rule of Law SeedCamp with the participation of Minister of Education, representatives of the Ministry of Justice, Children Ombudsman, legal professionals members of the Legal Education Network:

Involving police to cultivate respect for laws among younger generations

Period: 15.11.2019 – 31.03.2020

Funding body: EU delegation in Moldova through AO Promolex

Budget: 9,527 EUR

The overall objective of this project is to combat corruption and other crimes in the long-run through establishing early prevention tools on anti-corruption and integrity risks, stimulate respect for the rule of law and a stronger civic attitude.

Results achieved:

- 1 partnership with Ministry of Internal Affairs
- Extension of the Legal Education Network with 20 policemen
- 3 training sessions for 19 policemen
- Partnerships with other 30 schools across the country
- 80 legal education schools in Balti, Annenii Noi, Orhei, Comrat, Cahul

Voting is not only our right, it is our power!

Period: 01.05.2020 – 31.12.2020

Funding body: eastern Partnership Civil Society Facility

Budget: 5000 EUR

The overall objective of this project was to increase number of young people who will vote in the next elections, an electoral pool change that has the potential to positively influence public policies on the long term.

Results achieved:

- 1 drafted policy brief, 10 drafted visual designs, 32 Facebook posts, 76,598 people reached as result of facebook posts
- 1 e-learning course, 5 motivational videos, 200 users of e-learning course.
- 1 advocacy campaign, 32 facebook and instagram posts, 76.598 people reach
- 5 democracy classes, 277 participants, 5 classes live streamed on Facebook:
